

The Park City Museum partnered with Talisker this year to create this award-winning float for the Miners' Day Parade on September 3. Thank you to all the volunteers who made the "best historical effort" in commemorating this holiday.

Halloween at the Glenwood

What would Halloween in Park City be like without the haunting event at the Glenwood Cemetery? The 2007 version of "Halloween at the Glenwood" is scheduled for Sunday, October 28, from 12 noon to 2 pm, a fitting prelude to Halloween. Begun in 1993, the unique event has become a traditional part of the annual celebration in Park City.

The actors, dressed in period costumes, will stand by their graves and tell about life and death in Park City. The annual event is sponsored by the Glenwood Cemetery Association as a means of telling some of Park City's history. The Glenwood Cemetery is located at the

Meet the Ghosts of Park City's Past

History really came alive at the old Park City Territorial Jail on Friday, August 31st! We would like to thank all the actors and volunteers who helped make this event such a success. Without you this wouldn't have been possible!

The response was overwhelming, and it was standing room only in the territorial jail. Even with two performances, we were sad to turn some visitors away. But the new Park City Museum will more than double the space for educational programs like this.
