Annual Historical Ski Tours Scheduled

Has Deer Valley always been the ski resort it is today? If you join the annual ski tour of Deer Valley Resort on Saturday, February 10th you'll not only receive the answer to that question, but you'll be able to view copies of historic photographs of the early resort and visit the historic sites on the mountain. The annual ski tour will be led by historian, Hal Compton, for members. The three-hour intermediate-level ski tour will begin at Snow Park Lodge at 10:00am, continue to Empire Lodge and return to Snow Park Lodge.

Then on Sunday, March 11th the three-hour historical ski tour of Park City Mountain Resort is scheduled to begin at the Eating Establishment Express at 10:00am, continue to Jupiter Bowl and return to the starting location. Among other places, the tour will visit the site of the recent mine shaft opening, the Silver King Mine and the location where the wife of President Lyndon Johnson dedicated the ski resort. Historical photographs will help to illustrate the resort's history. To reserve a place on either or both of these tours, please call the Museum Office at 649-7457.

Historian Hal Compton will lead 2 ski tours to historic mine sites this winter

Outreach to the Latino Community!

The Park City Museum has established a successful outreach program with Aspen Villas Apartments, which has a majority of Latino tenants. This has been an important step towards fulfilling our goal to bring Park City's history to all parts of the community. Currently, the Museum Educator Johanna Fassbender and volunteers Cam Schiedel and Pam Smith are visiting Aspen Villas, with future plans for museum and Main Street activities.

Each month, we discover Park City history together: during Halloween, we made Halloween masks as they were made 80 years ago, and during

The kids were so proud to show off their beautiful Halloween masks.

Christmas time, we looked at historic photographs of snowy Park City.

This outreach program is set up on a monthly basis, and the next visit to Aspen Villas will take place at the end of February.

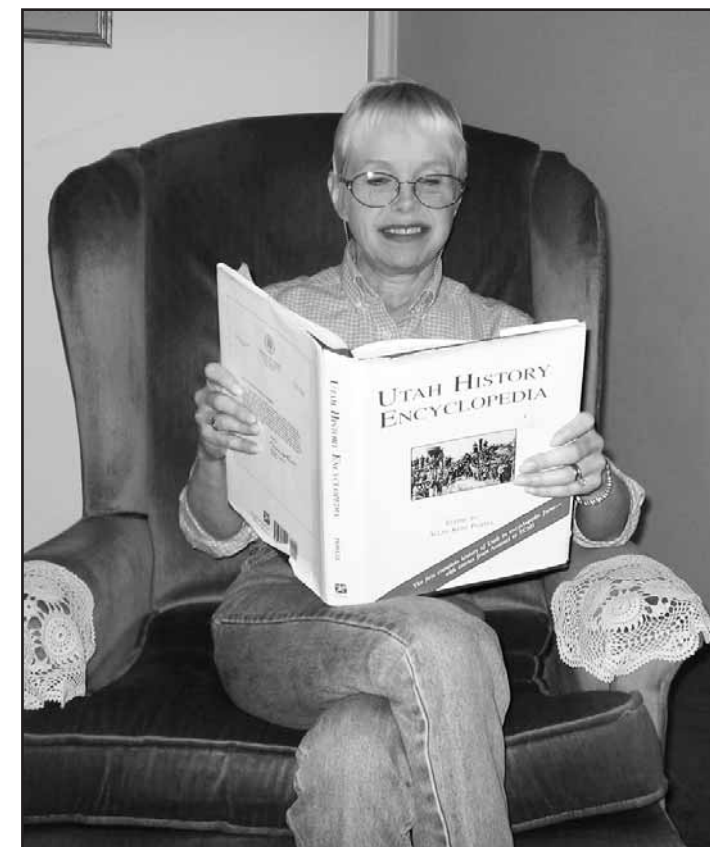

The kids at Aspen Villas got very excited about making Halloween masks and costumes.

Expansion of the Museum's History Library

Thanks to generous donations from our volunteer Judy Dykman, the museum library has undergone an incredible transformation. It was her wish to make our library more complete, covering Park City and more Utah history. Judy donated over 100 books and is now busy cataloguing them. We even needed two more book shelves to be able to properly store all the new books.

These books will become an invaluable asset for anyone researching Park City history. Please stop by the museum to browse through our new books and discover more about our history! Judy Dykman, a former teacher and co-author of the book *The Silver Queen*, has also shared her wealth in developing classroom programs with the museum staff. Her materials will be very helpful in designing our new fourth grade curriculum. Thank you very much, Judy!

Culinary, Wine & Ski Classic

The Park City Museum is a 2007 beneficiary of The Underdog Foundation.

Thank you to all the volunteers that gave their time to help with the Culinary, Wine & Ski Classic from February 8-11.
